School Meals

If you wish to change your preference for school meals for next half term please inform us by emailing school's main email address which is stphilips_primary@warrington.gov.uk no later than 9am Monday 24th May. This will enable us to pass the details on to School Meals for the change to take place on Monday 14th June and we can sort out staff ratios.

Thank you for your co-operation.

Sun cream

As we approach summer you may wish to apply sun cream to your child before they come into school. It is advisable that the 8 hour sun cream be applied so it will last the whole of the school day.

Children should not bring sun cream into school.

Thank you for your co-operation.

Warrington Foodbank

During the week commencing May 10th, we plan to build a dominoes run, using cereal boxes in place of dominoes, to stretch around school.

To help us to make this a success, we would like you to donate boxes of cereal and send them into school on **Monday 10th May**.

The more boxes we receive, the bigger our run will be and the further it will stretch around our school.

Once the event is over, we will quarantine all of the boxes and then donate them to Warrington Foodbank.

Thank you for your support.

Reminders for Parents/Carers

Cottontails Holiday Club

Cottontails Day Nursery are holding holiday clubs during the upcoming school holiday.

Information can be obtained by clicking the link below:

Please email or ring into school or leave a message on the absence line if your child is absent from school for any reason. Please do not send any messages via Google Classroom or any other online forum as these are not monitored. We also ask you not to send notes in with your child once they return to school. If you need to inform school about any absence please send an email into stphilips_primary@warrington.gov.uk

If your child has had a vomiting or diarrhoea bug please remember they cannot return to school until 2 clear days after the last episode in order to prevent infection to others.

A reminder if you have missed a call from school please check if a voicemail/message has been left by a member of school staff before calling back.

Thank you for your co-operation in these matters.

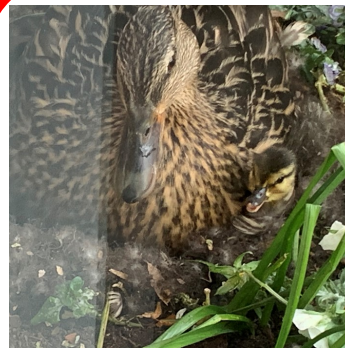

Please do not send any emails into the Office or Admin email addresses as these are not monitored accounts. All emails are to be sent to stphilips_primary@warrington.gov.uk as this is monitored on a daily basis.

This week, Y3 received a video message from our friend, the author Chris Duke. Chris has written many lovely children's books and sent us the message to say thank you for sharing,

'Lucy's Blue Day', and a well done for working so hard during this difficult year. He has promised that when this is all over, he will pay us another visit to share his books. In the meantime, if any of you would like to purchase one, you can follow the link to Lucy's website:

Year 3 have been extremely excited to watch a mallard building her nest in the flower planter outside Mrs Hogan's classroom.

She laid 11 eggs, and has cared for them attentively for weeks. Last Friday they started to hatch. We were lucky enough to catch sight of 2 of them, but the rest of them hatched and left before we returned to school on Tuesday. If you are out and about at a local pond or lake, and catch sight of Daisy Duck and her ducklings, please give her a wave and wish them all well.

Together we aim high and with God's love we can fly.
