### 'PERSEVERANCE'

RecD - Phoebe  
RecV/T - Daisy  
RecP - Charlie  
Y1L - Khloe  
Y1B - Adeen  
Y1C - Keihi  
Y2K/A - Oliver  
Y2R - Bobby  
Y2C - Leo  
Y3D - Nicholas  
Y3H - Melanie  
Y3W - Oliver  
Y4D - Annabelle  
Y4Mc - Kwame  
Y4B - Zoe  
Y5A - Amelie  
Y5T - Ava-Mae  
Y5S - Michael  
Y6H - Lucy  
Y6C - Leah  
Y6W - Joseph

## Dates for Forthcoming Events

### May

27th—Y3 Ancient Greek Day, children to dress up as ancient greeks

### June

22nd—4LB Peace Centre residential

23rd—4LMc Peace Centre residential

24th—4CD Peace Centre residential

## Year 3 - World's Greatest Rock Ceremony

To launch Y3's science topic of 'Rocks and Soils' in the first week of next half term, Y3 will be holding a 'World's Greatest Rock' competition and awards ceremony. Please bring in a rock of your choice; we will give awards for the oldest rock, the sparkliest rock, the strangest rock and many more. You will need to bring your rock into school on Tuesday 15<sup>th</sup> June, so search around and find the most interesting rock, pebble or stone that you can.

## Cottontails Holiday Club

Cottontails Day Nursery are holding holiday clubs during the upcoming school holiday.

Information can be obtained by clicking the link below:

At the heart of child development

## School Meals

If you wish to change your preference for school meals for next half term please inform us by emailing school's main email address which is [stphilips\\_primary@sch.warrington.gov.uk](mailto:stphilips_primary@sch.warrington.gov.uk) no later than 9am Monday 24th May. This will enable us to pass the details on to School Meals for the change to take place on Monday 14th June and we can sort out staff ratios.

Thank you for your co-operation.

### Year 5/6 Virtual Pentathlon County Final

Following success in the Virtual Pentathlon, St Philip's progressed to the Warrington & Cheshire County Finals.

The children put on a fabulous performance, worked extremely hard and showed the School Games Values.

We are very proud to announce that St Philip's were awarded with 1st place!

Well done on the team's achievement.

### Y3 Ancient Greek Day

On Thursday 27th May, we are holding an Ancient Greek day in Year 3 to enrich the children's experiences and develop their learning and understanding further. We have held this event in the past, and it has always been a successful, fun day filled with rich learning. Our whole day will focus on the lives of the Ancient Greek people, and will involve writing, art, drama and debate as well as an Ancient Greek Olympic event.

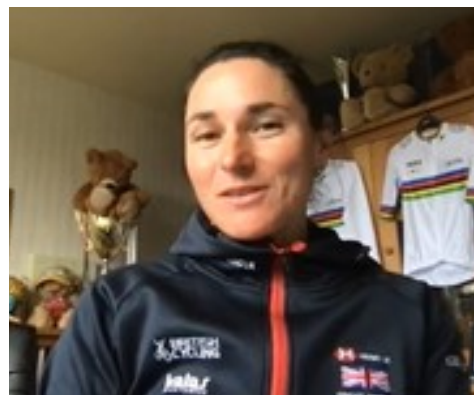

The teachers will be dressing up in school as Ancient Greeks and would like the children to do the same. Please do not go to the expense of buying costumes, a sheet or white T-shirt can be adapted, or adapt their Ancient Egyptian costume from earlier in the year. We look forward to seeing their costumes.

Please do not send any emails into the Office or Admin email addresses as these are not monitored accounts. All emails are to be sent to [stphilips\\_primary@sch.warrington.gov.uk](mailto:stphilips_primary@sch.warrington.gov.uk) as this is monitored on a daily basis.

The children in Y2 Mr Callaway's class, learned lots at the orchard this week. They learned about keeping themselves healthy as humans, and also how plants keep healthy, too. The children used magnifying glasses to look closely at how seeds are formed in flowers. Kev, from the orchard, was really impressed by how much the children had remembered from school and all the interesting facts they knew from home.

As part of Health Week, the school were extremely lucky to have the opportunity to ask Dame Sarah Storey some questions about her life, journey and sport. Dame Sarah was amazed at the questions and answered them all in a short video for us. The children loved hearing Dame Sarah answer their direct questions and have all learnt a great deal about what it means to be a Paralympian.

**MAY 2021**

**Text support service for parents, carers and teens 11-19 years**

Bridgewater Community Healthcare NHS Foundation Trust has rolled out a new secure text messaging service for parents and carers of children and young people aged 0-19 years old and a Young People's Service for 11-19 years, enabling them to get timely and trusted health advice from a health professional (a Health Visitor or School Nurse).

**There are 3 text numbers for:**

11 – 19 Young People's Service

0 - 5 Parents Service

5 - 19 Parents Service

As our lives have changed over the last few months due to coronavirus, it's more important than ever for young people families to have easy access to support, particularly in the absence of face to face interaction.

The service does not aim to replace face to face contacts, rather increase choice for service users about how they access advice from a health professional and provides a new line of communication as face to face contact is reduced.

**The ChatHealth text number will operate Monday-Friday from 9am until 5pm.**

Messages will be responded to within 24 hours during this period. Outside these hours, service users will receive a 'bounce back' text message indicating that they will receive a response when the line re-opens.

ChatHealth is not an emergency service, and accordingly parents will be instructed to follow usual advice in seeking urgent medical attention.

**The text numbers for Warrington are:**

11 - 19 Young People's Service – 07507 330101

0 - 5 Parents Service – 07507 327981

5 - 19 Parents Service – 07480 635994

## **Warrington 11 - 19 Young People's Service**

### **Text support service launches for teens**

Bridgewater Community Healthcare NHS Foundation Trust is rolling out of a new secure text messaging service for young people aged 11-19 years old, enabling them to get timely and trusted health advice from a health professional (a School Nurse).

As our lives have changed over the last few months due to coronavirus, it's more important than ever for young people to have easy access to support, particularly in the absence of face to face interaction.

The Warrington service does not aim to replace face to face contacts, rather increase choice for young people about how they access advice from a school nurse and provides a new line of communication as school nurse face to face contact in Warrington High Schools is reduced with school closures.

**The ChatHealth text number will operate Monday-Friday from 9am until 5pm.**

Messages will be responded to within 24 hours during this period. Outside of these hours, users will receive a 'bounce back' text message saying they will receive a response when the line next re-opens.

11-19 year olds can text the service on a range of issues from bullying, mental health, self harm, sexual health, drugs and alcohol, smoking and vaping, healthy eating, sexual identity, gender identity and more.

ChatHealth works by messages being sent to a dedicated phone number. These messages are then sent to a secure website and are read by a Bridgewater School Nurse who can then start a text conversation with the sender.

ChatHealth is not an emergency service, and accordingly users will be instructed to follow usual advice in seeking urgent medical attention.
