Covid-19 (Coronavirus) - Wider Symptoms relating to positive cases

Wider Symptoms

Warrington Borough Council and Public Health have advised there are a wider set of symptoms which people have also been testing positive with. They include:

Diarrhoea
A persistent headache
Fever and chills
Shortness of breath or difficulty breathing
Fatigue
Muscle or body aches
Sore throat
Congestion or runny nose
Nausea or vomiting

If you have any of these wider symptoms, you should get a test at one of Warrington's symptoms-only testing sites and then self-isolate if your result is positive. The test booking system will ask you why you are booking a test. When you book a test for any of these wider symptoms, you should choose the 'you've been asked to get a test by a local council' option.

BE KIND
and compassionate
to one another,

*forgiving each other,
just as in Christ
God forgave you.*
- Ephesians 4:32

Parent/Carers

If you are planning on sending in any presents/cards for your child's teacher/TA these can be brought into school by Monday 26th July. This will ensure they are quarantined in the classroom so that the teachers and TAs can then take them home on Wednesday 28th July when we break up for the summer. Thank you.

It is time for this year's Summer Reading Challenge.

This year's theme is Wild World Heroes, created in partnership with WWF and illustrated by award-winning children's author and illustrator Heath McKenzie.

Wild World Heroes will inspire children to explore ways of helping to save the planet, with a focus on taking action for nature and tackling real-world environmental issues, from plastic pollution and deforestation to wildlife decline and nature loss. Through taking part in the Challenge, children will be able to join the Wild World Heroes to help solve some of these threats, learning about the importance of the environment while helping to restore nature levels in the neighbourhood of 'Wilderville'.

The **Summer Reading Challenge** combines **FREE** access to books with fun, creative activities in the library during the summer holidays. Throughout the Challenge, library staff and young volunteers support the children, helping them to discover new authors and illustrators and to explore a wide range of different types of books and ways of reading.

The challenge started on Monday 5th July and runs until Sunday 5th September.

Winners can receive a best school trophy and certificates!

Please do not send any emails into the Office or Admin email addresses as these are not monitored accounts. All emails are to be sent to stphilips_primary@sch.warrington.gov.uk as this is monitored on a daily basis.

All of Year 3 were treated to a wonderful experience at Foxhowl this week. Everyone got wet, muddy and sticky during the magnificent activities which included stream dipping, den building, dam making and marshmallow toasting. All of the children have said it was a highlight of the year and they want to go back again soon.

They loved that Mrs Wightman was there helping them in all of the activities, but it did make them sad that she has to leave us at the end of the year. Thank you to all of the staff who came along to help us.

Together we aim high and with God's love we can fly.
