### **Reception Newsletter – Friday 3rd September 2021**

We hope you all had a lovely summer and are well rested, ready for a busy and exciting first term at St Philip's! We are extremely excited about the new academic year and look forward to working closely with you and your children.

#### **Part Time**

We are so proud of how confidently the children have settled into school after just two days!

Whilst the children are attending part time they will gain an insight into the typical routines of the school day and will become familiar with the Reception team, making lots of new friends along the way. Morning sessions (9:00-11:30) and afternoon sessions (12:30-3:00) include a short break time and children are welcome to bring a healthy snack to school for this. We provide fresh fruit for children every day, but if you would prefer to send in a snack from home please ensure it consists only of either **fruit, bread or toast**. Please do not send cereal bars, fruit roll ups, sandwiches or biscuits.

#### **End of school collection**

If children are to be collected from school by adults other than their parents, please provide this information in a written letter or email, detailing names and giving permission.

#### **Medication**

If your child requires prescribed medication during their time in school please let a member of the Reception team know.

Unfortunately we cannot give children medication that does not have their name and dosage on, as prescribed by a doctor.

Inhalers and epi-pens may be stored and administered in school. Please complete the relevant medication form from the school office and hand this in with the medication.

#### **Nuts**

We have children attending school who have severe nut allergies. Therefore we ask that children do not bring any items of food in that contain nuts. This includes peanut butter and chocolate Nutella on sandwiches, or any foods with nut traces.

#### **Uniform**

The children look wonderfully smart in their new uniforms. Please ensure that all items of clothing, including shoes and coats are all clearly labelled. A helpful tip may be to attach an easily identifiable small key-ring to coat or fleece zips so that children can locate them easily. We also ask that girls do not wear nail varnish and that all hair is tied back.

#### **Water Bottles**

Children are encouraged to bring a clearly named water bottle to school every day. Please ensure that bottles are not stored in book bags as they may leak. We also ask that these bottles contain water only.

**Thank you for your support,**

**The Reception Team**
