

Year 2: Music Knowledge Mat

Subject Specific Vocabulary		Rhythm Grid & Notes	Important Knowledge
beat	A steady pulse which you can feel in your hands and feet.		<input type="checkbox"/> I know the names of some instruments I can hear, such as an electric guitar, drums and bass guitar.
riff	A short, repeated pattern or tune.		<input type="checkbox"/> I know that rock music always has electric drums and keyboards, solo electric guitar riffs and a loud, heavy drumbeat.
copy back	To sing or play back a rhythm or melody.		<input type="checkbox"/> I can clap a pulse, increasing and decreasing the tempo.
perform	To play an instrument or sing a piece of music.		<input type="checkbox"/> I can play along on a glockenspiel using C and D whilst keeping to a steady pulse.
rock	A type of music with drums and electric guitar.		<input type="checkbox"/> I can play back my improvisation and change rhythms or melodies that I don't like.
drums	A musical instrument you can hit, shake or scrape.		<input type="checkbox"/> I can compose using a rhythm grid containing crotchets, quavers and the note name (C or D).
electric guitar	A guitar which is heard through a speaker.		<input type="checkbox"/> I know how to read my notation to help me perform.
keyboard	An electric piano which can change its sounds.		<input type="checkbox"/> I can perform my part in a group, keeping time with others.
middle 8	The section of a song which has a different melody and lyrics.		
bass guitar	A low sounding guitar which supports the tune.
