Important Knowledge about The Calendar and Celebrations

- When you ask a question in Spanish you can turn a sentence into a question by raising the pitch of your voice at the end of the question.
- Some of the Spanish days of the week are named after the planets e.g. martes (Mars)".
- In Spanish, days of the week and months of the year don't have capital letters at the beginning.
- When words are the same in two languages we call them cognates and when they look very similar we call them semi-cognates.
- The months in Spanish are similar to the months in English, except for January (enero).

- I know how to read and say colours
- I can say and write nouns for days of the week and months of the year
- I can ask and answer questions about themselves, including their birthday
- I know how to listen to and write different dates
- I can recall the days of the week
- I can orally recall the months of the year
- I know how to read the days of the week in a sentence and understand its meaning
- I can say different classroom commands.
- I know how Christmas is celebrated in another culture.
